El Camino Music Groups to Give Joint Concert

Selections that were popular in California from Spanish times to the gold rush days will be featured tonight at 8 o'clock when the vocal and instrumental groups from El Camino College's music department present their first annual joint concert. The affair, which will be held in the college gymnasium, is open to all persons, free of charge.

The El Camino choir, chorus, band, and orchestra will participate. The band will play selections from Rodgers and Hammerstein's "South Pacific" from Leroy Anderson's "Fiddle Faddle" and from Eric Coates' "Three Men Suite." Fred Wang's arrangement of "The Lost Chord," along with a Negro spiritual, "Way Over Jordan," will be featured by the chorus.

Several representative choral selections from Rodgers and Hammerstein's "Carousel" will be given by the concert choir, in addition to the numbers, "You'll Walk Alone," "If I Loved You," and a Negro spiritual, "Dark Water."

The chorus choir, combined with the orchestra, will give "Onward, Ye People!" in addition to the early California selections. Some of the popular old California melodies to be presented are "On the Banks of the Sacramento," "Sweet Betsy from Pike," and "Oh Susanna."

The orchestra will perform Beethoven's Symphony No. 1 and Nicolai's "The Merry Wives of Windsor."

BROWN INDOCTRINATION
Pvt. Earl E. Thrall, 21, son of Mr. Robert A. Thrall, 1825 Torrance boulevard, has reported to Lackland AFB, "Gateway to the Air Force," to begin the AF basic airman indoctrination course.

Lackland, situated near San Antonio, is the world's largest air force base, center of Air Force basic training for airmen and women. Indoctrination station for prior service enlistees and home of the AF's Officer Candidate School.

Contract Awarded To Build Camino Classrooms

Contract for the construction of the first permanent classroom building at El Camino College was awarded last week by the Board of Trustees at its regular bi-monthly meeting. Low bidder among the 13 construction firms submitting bids to the board was the Contracting Engineers' Company of Los Angeles with a bid of \$170,272. Close bidding was evidenced by the fact that the next bid submitted was only \$722 higher than the low bid. High bid for construction of the project was \$197,277.

Under the terms of the contract, approved by the Board of Trustees, construction of the building must be completed by September 1.

In addition to nine new classrooms, the project includes a boiler room and electrical transformer room to provide heating units and electricity for the administration and other classroom units which are scheduled for construction commencing this summer.

Also under construction at the present time on the college campus is a Student Union-Cafeteria building under contract to the Harvey Nichols Company of Los Angeles at a cost of \$414,000.

At last night's meeting the Board of Trustees also awarded contracts to various bidders for the furnishing of supplies and equipment for the auto, body and fender shop which is expected to be in operation in a short time. The total of the bids was \$2590.71.

Special Aid in Selecting Paint, Wallpaper Offered

Grand opening of the Sherwin-Williams new wallpaper service at 1623 Cabrillo Avenue this week affords the management opportunity to offer many spring house needs just at the time when home owners will be needing them the most.

G. D. Wartman, division manager for Sherwin-Williams, today said the purpose of the new branch is to provide the people of Torrance and vicinity with a new and easier way to select all their paint and wallpaper needs.

With this in mind, he has given Manager Bill Harrold permission to present free gifts to everyone who attends the opening. A surprise package will be given with every purchase, it was announced, and each of the first 500 women coming into the store will be given an orchid. One of the opening offers will be a beautiful lamp given with each \$15 order of wallpaper.

COMPANY'S STORE HERE STAFFED BY EXPERTS

Personnel of the new Sherwin-Williams wallpaper service center having its grand opening at 1623 Cabrillo Avenue includes experts in home decoration who by training and experience are well qualified to advise people of the community.

Manager Bill Harrold is familiar with all departments of these and used for better displays of merchandise.

Latest patterns in wallpaper are being carried, and the stocks the business, having had experience in several of the company's different branches.

Bill Brown, who has been with the company for several years, is an authority on color matching.

The new wallpaper department has been entirely redecorated and modernized. New fixtures have been installed for convenience of customers, and part of

are also available at nearby Sherwin-Williams dealers.

Orchids, to be given away to the first 500 women coming into the store, have been flown here via United Airlines from Honolulu.

Interior decorator of the staff is Bill Brown, available at all times for color consulting in both paint and wallpaper, as well as other problems of home decoration.

Brown recently completed a number of years service in the Hollywood offices of the company. He is also a graduate of a Los Angeles interior decorator's school. The Browns, including a month old son, live at 1516 West 216th street.

Visitors will be comfortably seated at the store while Mr. Brown shows them samples of wallpapers and paints to fit all budgets.

His services will be available to the customers of the Torrance branch without any obligation to buy. He will make evening appointments either at the service center or in the home to help select paint and wallpaper to tie in and make a complete unit of walls, draperies and furnishings.

The wallpaper salon features many thousands of patterns of wallpapers of many designs and periods in all colors imaginable. It is large enough to permit the customer to make his selection in comfort and without interruption.

Another feature is the new self-service paint merchandiser developed by Sherwin-Williams to provide visual selection of paints and varnishes.

The new method of paint display, using full color illustrations and color panels, brings the hidden beauty out of the paint package. In the words of Harrold, "at last we can take the mystery out of the customer's paint selections, which makes it easy for the customer to see the actual color, the type finish, and the quality he wants."

Another service available is the Sherwin-Williams Color Style Guide service, which offers suggestions for home decorations.

With spring clean-up, paint-up and fix-up in the community, it is anticipated that throngs of people will visit the store during the open house period as well as later because of the many pieces of merchandise that will be featured. The spring clean-up campaign was recently started.
